**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

A good many years ago I was dissatisfied with AT&T's quality of telephone service and, at the recommendation of a friend in Santa Rosa, CA, I switched to Sonic.

I was very happy with their telephone service, so after some time I began using Sonic for my DSL connection.

And that was so good that when I built my own website, it was a no-brainer to let Sonic be my web host.

Sonic provides me with personalized service and stellar customer support, so I am horrified at the very idea that Sonic might be crushed under the wheels of AT&T by price hikes.

Yours truly,
Louis Bryan
